

BACH VIRTUOSI Festival

Sunday, June 17 - 24

We are pleased to share that **The Boston Globe** listed the Bach Virtuosi Festival as one of its *10 Can't Miss Classical Events for the summer*, according to their classical music critics ("Cantatas, concertos, and cello suites featuring some of the country's finest early-music makers...."). Bach Virtuosi Festival is the only event of the ten listed in the State of Maine.

We also received a heartfelt testimonial from **Maine Senator Angus King**:

"Sharing the stage with Lewis Kaplan was an extraordinary experience for me. The evening was a fusion of ideas and art that was greater than the sum of our individual talents, and I am grateful to have been a part of it."

We continue to see significant interest in tickets, especially for the early bird season ticket pass of \$100. We suggest taking advantage of the 28% savings through PortTIX by phone, online or at the box office.

Please enjoy the short interview with Lewis Kaplan below and consider forwarding this e-mail to friends and family, who enjoy classical music, and would possibly be able to attend one of the Bach Virtuosi Festival concerts.
